

General Permission Wyoming Seminary Summer Programs

(Please print name of son or daughter) _____

For the parents/guardians of *all students*:

As the parents or guardian of the student named above, I recognize that many of the facilities of Wyoming Seminary Lower School and Upper School – including weight rooms, swimming pools, tennis courts, science labs, classrooms, libraries, dining facilities, dormitories, athletic facilities, etc., are available to students (according to their age appropriateness) for their use and enjoyment. In addition, from time to time, students may be driven by staff members, and/or classes may travel by bus, van or automobile on field trips and excursions. My signature below indicates that I grant permission to my son/daughter to utilize school facilities and to ride in school authorized vehicles while under the school's jurisdiction.

Realizing that the school cannot be responsible for supervising my son/daughter when he/she goes off the campus to shop for snacks, etc., I have discussed with him/her what I expect of him/her with regard to riding in cars driven by other students or young friends if leaving the campus.

I have indicated to him/her that (check one):

_____ he/she may ride in cars driven by students or young friends.

_____ he /she may **not** ride in cars driven by students or young friends.

For the parents/guardians of *boarding students*:

As a parent or guardian of a boarding student, my son/daughter has my permission to visit the home of a school friend or a friend or relative known to me, as long as the director of residential life or dean of students has received an invitation from the host adults. I realize that this means my son/daughter will likely be driven in the automobile of the family he/she is visiting.
