

June, 2010

Dear Parents and students,

Greetings from the Sem campus! Although we only said goodbye to the class of 2010 a few weeks ago, we are well into the planning for the 2010-11 school year at Wyoming Seminary. There is much activity on campus as we prepare for summer school, and as numerous projects begin to make the school ready for orientation and registration in late August.

To that end, enclosed you will find a significant amount of information surrounding the opening of school. The literature in this mailing spans a range of permission and health updates that must be completed for your son or daughter to attend school this fall. Combined in this mailing with the traditional back to school forms is the orientation and registration information. This material, which used to be mailed in July, is being sent out early so that you can plan in advance for the opening of school.

The prompt and accurate completion of this paperwork helps insure a smooth opening to the 2010-11 school year. You can help us make that happen by mailing it in the envelope provided or by faxing it to 570 270 2121 at your earliest convenience, but preferably by August 10th. If you have questions please feel free to email Mrs. Sherry Cassetori at scassetori@wyomingseminary.org, or reach out to the appropriate office at the numbers listed in the enclosed handbook. The information contained in this mailing has been placed on our website as well. On our homepage click the Back to School button and follow the prompts.

Enjoy the days of summer!

Sincerely,

Jay Harvey
Upper School Dean
