

*A Message to Parents  
from Jennifer Siff,  
Director of Student Life ...*

I would like to take this opportunity to welcome all of you to Wyoming Seminary's 167th school year.

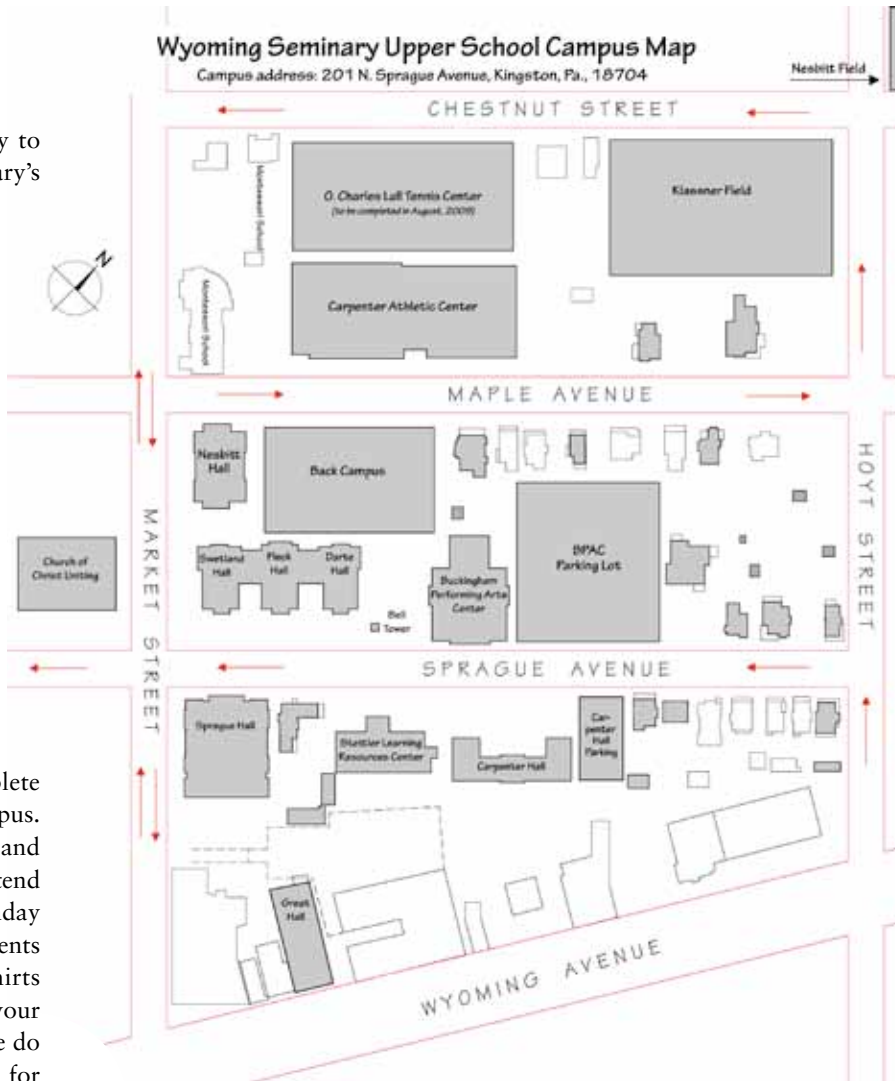

Whether you are embarking on your 14th year at Sem, or you are setting foot on campus for the first time, you are opening the door to a year full of experiences which will help to excite and inspire you for years to come. From our classrooms to our athletic fields, from performing arts to our community service programs, the Wyoming Seminary family is a warm and caring community of scholars, athletes, artists and leaders. As the Director of Student Life, I am looking forward to ensuring that the orientation process is an educational and welcoming experience for you and your family.

Inside this brochure is a complete schedule of the orientation events on campus. Orientation involves the entire family, and we hope that you will feel free to attend any of the scheduled sessions on Sunday or Monday. You will see various students wearing Orientation Committee shirts stationed around the campus to answer your questions or assist you in any way. Please do not hesitate to ask any of these students for guidance during your orientation experience; they are here to help you.

Once again, welcome to the Wyoming Seminary family. Have a fantastic school year!
